

Be Bold.

Bold Clicker

No smartphone? No problem. There's an easy alternative to safely open and lock the door. The Bold Clicker allows you to activate your Bold Smart Cylinder by the click of a button. You can easily attach it to anything using the small hole in the clicker or with the Clicker Case. Be Bold. For the benefit of all: it's especially suitable for elderly, children and very useful for your business.

Just one click away from

- Activation for up to 50 smart locks
- A clicker with over 4 years' battery life
- Digital safety by end-to-end data encryption
- A solution that can be easily blocked by its owner when it's lost

The Bold Clicker
operates via Bluetooth

MECHANICAL SPECIFICATIONS		COMMUNICATION	
PRODUCT DEFINITION	<p>The Bold Clicker allows users to activate Bold smart Locks by the click of a button. The Bold clicker can be installed using the Bold app and the user determines which shares should be synchronized with the Bold Clicker's memory.</p> <p>A push of the button makes the Bold Clicker scan for nearby Bold Smart Cylinders. A connection is setup with the nearest Bold Smart Cylinder in range. If the Bold Clicker presents the Bold Smart Cylinder the right credentials the Bold Smart Cylinder activates.</p>	BLUETOOTH 5.0	The Clicker communicates with Bold Smart Locks via Bluetooth 5.0. One Bold Clicker can open up to 50 Bold Smart Cylinders.
